Morning: Rendezvous with our guide for a two-hour walking tour entitled « Great monuments of Toulouse »: the Place du Capitole, Saint-Sernin Basilica, Jacobins Convent and the Garonna river banks are all yours.

Lunch at a restaurant in the city centre.

Afternoon: take off for the Runway of Giants in the Montaudran quarter. Step into the shoes of a pilot, mechanic or even one of the female factory workers of the time and experience the Aéropostale adventure thanks to Flight of the Pioneers. Total immersion guaranteed!

Then dive into the fantastical and poetic world of the Hall of La Machine. There are no horses in these stables, but rather machines used for street theatre that will awaken your imagination! What could be better than rounding off your day by climbing onto the back of Astérion the Minotaure!
