

# THE INDISPENSABLE

You are in Toulouse for a few days and you want to discover the essentials of the city in a single guided tour : here it is !

## IN THE HEART OF THE SAINT-ETIENNE QUARTER

Visit the cathedral and its discreetly charming neighbourhood. This tour goes far from the bustle of city life and is studded with narrow streets, small squares and former official buildings that should not be overlooked.

Visits offered Monday to Friday.

## TOULOUSE ON RENAISSANCE TIME

During the XV and XVI centuries, the city, enriched by the woad trade (blue dye), saw a flourishing of sumptuous renaissance homes. Walk along the narrow streets at the heart of the city and discover its golden age, between towers and courtyards.

Every day except on Sunday.

## GREAT MONUMENTS OF TOULOUSE

After seeing the Place du Capitole, the basilica of Saint-Sernin and the Jacobins church, from the banks of the River Garonne you can admire the splendid views of the most iconic monuments of Toulouse.
